FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 30 JUNE 2009

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of International Entertainment Corporation (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this announcement is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this announcement misleading; and (3) all opinions expressed in this announcement have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

Notes:

1. Basis of preparation and principal accounting policies

The unaudited consolidated results have been prepared in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) and the applicable disclosure requirements of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”).

During the year ended 31 March 2009, the deferred tax liability in relation to the fair value adjustment arising from investment properties has been revised by taking into consideration of the rental income from Philippine Amusement and Gaming Corporation (“PAGCOR”) which is exempted from Philippines corporate income tax. A zero tax rate has been applied over the lease term with PAGCOR and a tax rate of 35%, which changed to 30% with effective on 1 January 2009, after the expiry of the lease with PAGCOR would be applied, the comparative information has been represented. As a result of the recalculation, the deferred tax credit in the unaudited consolidated profits for the three months ended 30 June 2008 was decreased by approximately HK\$9,516,000, of which approximately HK\$4,663,000 was attributable to the minority interests, the other reserve as at 30 June 2008 was increased by approximately HK\$140,862,000, the exchange reserve as at 30 June 2008 was decreased by approximately HK\$1,500,000, and the minority interests as at 30 June 2008 was increased by approximately HK\$129,234,000. The accounting treatment for the restatement of the comparative figures is consistent with those used for the Group’s annual financial statements for the year ended 31 March 2009.

The unaudited consolidated results have been prepared on the historical cost basis except for certain financial instruments, which are measured at fair values.

A number of new and revised standards, amendments and interpretations are effective for the Group’s financial year beginning on 1 April 2009. Except as described below, the same accounting policies, presentation and methods of computation have been followed in these unaudited consolidated results as were applied in the preparation of the Group’s annual financial statements for the year ended 31 March 2009.

In current period, the Group has applied the following new and revised standards, amendments and interpretations (“new HKFRSs”) issued by HKICPA, which are effective for the Group’s financial year beginning on 1 April 2009.

HKFRSs (Amendments)	Improvements to HKFRSs
HKFRSs (Amendments)	Improvements to HKFRSs 2009

The adoption of new HKFRSs had no material effect on the results or financial position of the Group for the current or prior accounting periods. Accordingly, no prior period adjustment has been required.

The Group has not early applied the following new and revised standards, amendments or interpretations that have been issued but are not yet effective.

HKFRSs (Amendments)	Improvements to HKFRSs ¹

¹ Effective for annual periods beginning on or after 1 July 2009 for the amendments to HKFRS 5

² Effective for annual periods beginning on or after 1 July 2009 and 1 January 2010, as appropriate

³ Effective for annual periods beginning on or after 1 July 2009

⁴ Effective for transfers on or after 1 July 2009

⁵ Effective for annual periods beginning on or after 1 January 2010

The adoption of HKFRS 3 (Revised) may affect the Group's accounting for business combination for which the acquisition date is on or after 1 April 2010. HKAS 27 (Revised) will affect the accounting treatment for changes in the Group's ownership interest in a subsidiary that do not result in loss of control of the subsidiary. Changes in the Group's ownership interest that do not result in loss of control of the subsidiary will be accounted for as equity transactions. The directors of the Company anticipate that the application of the other new and revised standards, amendments or interpretations will have no material impact on the results and the financial position of the Group.

A subsidiary operating in the Philippines had entered into a lease agreement with PAGCOR, a company solely owned by the Philippines government, such that the subsidiary is entitled to the tax exemption in respect of the rental income received or receivable from PAGCOR being exempted from the Philippines corporate income tax. In addition, according to the lease agreement, if the subsidiary is required to make any payment of the Philippines corporate income tax in relation to any rental income received or receivable from PAGCOR, PAGCOR shall indemnify the subsidiary for such payment.

MANAGEMENT DISCUSSION AND ANALYSIS

Financial Review

The Group's revenue from continuing operations for the three months ended 30 June 2009 was approximately HK\$115.7 million, representing a decrease of approximately 15.1%, as compared with approximately HK\$136.3 million for the previous corresponding period in 2008. The decrease in revenue was mainly due to the decrease in revenue from the lease of properties and hotel operations in the Philippines during the period. The Group reported a gross profit from continuing operations of approximately HK\$52.8 million for the period under review, representing a decrease of approximately 20.3%, as compared with approximately HK\$66.3 million in the last corresponding period. The decrease in gross profit from continuing operations was mainly due to the depreciation of Philippine Peso against Hong Kong Dollar and a decrease in revenue from the operations of hotel during the period.

Other income from continuing operations for the three months ended 30 June 2009 was approximately HK\$4.2 million, representing a decrease of approximately 55.1%, as compared with approximately HK\$9.3 million in the last corresponding period. The decrease was mainly due to the decrease in interest income during the period.

Selling and distribution costs, and general and administrative expenses from continuing operations decreased by approximately 0.3% to approximately HK\$35.5 million for the three months ended 30 June 2009 from approximately HK\$35.6 million in the last corresponding period. There was no material fluctuation on the expenses.

During the three months ended 30 June 2009, the Group recorded a loss of approximately HK\$2.0 million on change in fair value of conversion option derivative, representing a decrease of approximately 28.6%, as compared with approximately HK\$2.8 million for the previous period in 2008. Share of loss from an associated company during the three months ended 30 June 2009 was approximately HK\$2.1 million, representing an increase of approximately 594.0%, as compared with approximately HK\$0.3 million for the corresponding period in 2008. The increase was mainly due to the increase in the pre-operating expenses.

Finance costs from continuing operations for the three months ended 30 June 2009 were approximately HK\$10.6 million, representing a decrease of approximately 16.1%, as compared with approximately HK\$12.7 million in the last corresponding period. The decrease was mainly due to the decrease in interest on bank borrowings as the Group repaid all bank borrowings during the year ended 31 March 2009.

The Group recorded a profit from continuing operations for the three months ended 30 June 2009, amounted to approximately HK\$6.8 million, representing a decrease of approximately 83.5%, as compared with approximately HK\$41.3 million in the last corresponding period. The decrease in profit from continuing operations was mainly due to the depreciation of Philippine Peso against Hong Kong Dollar, a decrease in revenue from the operations of hotel and also a decrease in deferred tax credit recognised during the period.

On 27 December 2007, the Company entered into a conditional sale and purchase agreement for the disposal of its entire interest in Cyber On-Air Group Limited (“COAG”). COAG and its subsidiaries are principally engaged in network solutions and project services. The disposal was completed in April 2008. Immediately after the completion of the disposal, the Group ceased to carry on the business of provision of network solutions and project services. Details of the disposal are set out in the announcements of the Company dated 2 January 2008 and 3 March 2008, and the circular of the Company dated 23 January 2008.

The loss for the three months ended 30 June 2008 from the discontinued operations, including the provision of the network solutions and project services, was approximately HK\$1.4 million.

Business Review

The principal activities of the Group are hotel operations, leasing of properties for casino, ancillary leisure and entertainment operations, and to a lesser extent as compared to the preceding period the acquisition, financing, production and worldwide licensing of theatrical feature films in a variety of genres and investments in production of television series, music concerts and music records.

1. Leasing of properties and hotel operations

The revenue derived from the leasing of properties and operating the hotel for the three months ended 30 June 2009 were approximately HK\$77.7 million and HK\$30.1 million respectively, representing a decrease of approximately 12.9% and 31.0% respectively, as compared with approximately HK\$89.3 million and HK\$43.7 million respectively in the last corresponding period. The decrease in revenue was mainly due to the depreciation of Philippine Peso against Hong Kong Dollar as compared with the corresponding period last year.

2. Entertainment business

The revenue derived from the entertainment business for the three months ended 30 June 2009 was approximately HK\$7.8 million, representing an increase of approximately 134.1%, as compared with approximately HK\$3.4 million in the last corresponding period. The revenue comprised primarily from sales of the theatrical feature films under M8 Entertainment Inc. and its subsidiaries (the “M8 Group”). The increase in revenue was resulted from the increase in revenue from licensing of theatrical feature films.

3. Interest in an associated company

A wholly owned subsidiary of the Company held 40% equity interest in Arc of Triumph Development Company Limited (“ATD”), a company incorporated in Macau. The principal activities of ATD are property development and investment, and hotel business. ATD owns a parcel of land with an area of approximately 7,128 square metres located at Novos Aterros do Porto Exterior (新口岸外港填海區), Macau. It is currently under construction. According to the proposed development plan, the land would be developed into a complex comprising the high-end residential units, a super-deluxe hotel with casino facilities, commercial units and parking, which is expected to be completed in the fiscal year 2009/10. The Group’s share of loss in the associated company for the three months ended 30 June 2009 was approximately HK\$2.1 million, representing an increase of approximately 594.0%, as compared with approximately HK\$0.3 million in the last corresponding period. The increase was mainly due to the increase in the pre-operating expenses.

FUTURE OUTLOOK

After the completion of the acquisition of the hotel and entertainment operations in the Philippines and Macau, the Group focuses on the hotel operations and the leasing of properties for casino, ancillary leisure and entertainment operations and they are the core activities of the Group. The directors of the Company consider the hotel and entertainment operations will continue to contribute significantly towards the Group's revenue and results.

After taking into account matters related to the conduct of the M8 Group's business, which include, *inter alia*, the pessimistic operations of the M8 Group going forward, the status of the M8 Group's indebtedness to the Company, and the high cost of maintaining subsidiaries in North America, the directors of the Company consider that it is the best interest of the Company not to devote any further resources to the M8 Group and to concentrate on the Company's business and investments in Asia. The directors of the Company also consider that it is appropriate to liquidate the M8 Group in accordance with the relevant overseas regulations so as to enable the Group's current management to focus on its existing hotel and entertainment operations and to explore other leisure and entertainment businesses or opportunities in Asia. The objective is to strive for better return to the shareholders of the Company. On 10 September 2008 (Montreal time), the Company's Canadian legal advisers proceeded with the filing of a Petition for the Issuance of a Liquidation Order before the Superior Court of Quebec in Canada. Details of the development of the liquidation of the M8 Group are set out in the announcements of the Company dated 18 July 2008 and 11 September 2008. The Company will make further announcement in accordance with the GEM Listing Rules for any further development.

In addition, the directors of the Company will continue to conduct the review of the Group's financial structure and the composition of its assets and liabilities periodically and may consider further re-alignment of its investments and business operations.
